EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Tina Chen on 29 April 2005.

The application has been amended as follows:

In the Claims:

Cancel claim 5 and claim 13.

2. Claim 5 has been canceled, as claim 5 is a duplicate of claim 4. Claim 13 has been canceled, as the claim had dependency on a canceled claim.

3. The following is an examiner's statement of reasons for allowance: As indicated by the examiner in the first office action, the fluid bearing supporting the polishing member over a region where the polishing member plane of travel changes from a first plane to a second plane, has neither been anticipated nor fairly suggested, in part or whole, by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the
